

**EXXONMOBIL MOÇAMBIQUE, LIMITADA
PUBLIC ANNOUNCEMENT FOR EXPRESSIONS OF INTEREST**

**IN PROVIDING FRONT END ENGINEERING DESIGN SERVICES AND A POTENTIAL
SUBSEQUENT ENGINEERING, PROCUREMENT AND CONSTRUCTION OF AN
ONSHORE LNG PLANT WITH PRODUCTION CAPACITY OF UP TO ~18MTA
(multiple ~1.5 MTA LIQUEFIER MODULES) FOR AREA 4
IN THE REPUBLIC OF MOZAMBIQUE**

ExxonMobil Moçambique, Limitada (EMML) for and on behalf of Mozambique Rovuma Venture S.p.A (MRV), Operator of the Area 4 Block in the Rovuma Basin in the Republic of Mozambique invites interested companies (hereinafter referred to as "Candidates") that are duly qualified to submit their expression of interest ("Expression of Interest") to provide front end engineering design and a potential engineering, procurement, construction and commissioning of an onshore Liquefied Natural Gas (hereinafter referred to as "LNG") plant as outlined above for the Midstream portion of the Mozambique Rovuma LNG Phase 1 Project to be located at Afungi Peninsula (Area 4) in Mozambique.

SCOPE OF WORK

The scope of work includes the Front End Engineering Design ("FEED") and a potential engineering, procurement, construction and commissioning of, an onshore LNG plant (multiple LNG liquefaction units each at a ~1.5 MTA nominal design capacity, for a total of up to ~18 MTA capacity) for Phase-1 of the project.

REQUIRED DOCUMENTS

All Candidates are requested to submit the documents listed below in the EMML Supplier Registration Portal <https://mz.rovumalngsrp.com/> and email confirming registration to emmlprocurement@exxonmobil.com

Note: The registration must refer to the following commodity code:

LL05BA02 – LIQUIFIED NATURAL GAS (LNG) - ONSHORE (Within the portal, under 'Products & Services' tab, select Plants Construction (LL05) > Onshore Plants (LL05BA) > Liquefied Natural Gas (LNG) - Onshore (LL05BA02).

Cover letter including statement of interest in performing the work, company details and contact information.

1. Organization chart of your company and a company overview highlighting the company size (turnover, number of personnel, etc.).
2. Statement on planned or potential Joint Venture, Consortium or similar corporate structure and company details of each participant.
3. Statement on local content and use of local suppliers.
4. Evidence of being a major EPC contractor with proven experience in onshore LNG plants (including FEED, Detailed Engineering, Procurement, Construction and Commissioning), either by itself or through participation in a joint venture or consortium.
5. Evidence the company has Foreign Corrupt Practices Act and UK Bribery Act compliance systems.

The purpose of the information and documents is to identify companies with proven capability, and relevant experience. EMML will evaluate the requested documentation and, if satisfied, will include the Candidates in the next stage of Qualification Process for the scope of work.

Candidates will be subsequently required to sign a Confidentiality Undertaking and submit more detailed information in response to a separately issued Qualification Questionnaire to establish their qualifications based on additional criteria. The Qualification Questionnaire shall only be issued to those Candidates compliant with requirements of EMLL/MRV and this Expression of Interest.

Only those Candidates meeting the requirements of the next stage of Qualification Process will be invited to participate in an invitation to tender for a FEED competition.

Only the Candidates providing the FEED will be considered in a potential next stage for the award of an EPC contract, which is subject to improvement of security conditions and a decision on return of activities in the Afungi area.

This enquiry shall not be considered as an invitation to bid and does not represent or constitute any promise, offer obligation, or commitment of any kind on the part of EMLL to enter into any agreement or arrangement with Candidates nor shall it entitle your company to claim any indemnity from EMLL.

Candidates should send an electronic version of all responses as a "native file" (e.g., in Microsoft Word, PowerPoint, Excel, or Adobe PDF format), including all supporting documents and attachments. Candidates should not submit any hard copies of any documentation requested as part of this Expression of Interest process.

Candidates should NOT submit or otherwise disclose to EMLL any confidential or proprietary information or material.

Candidates understand that EMLL does not accept any obligation of confidence with respect to items acquired or any information disclosed by the Candidate in response to this Expression of Interest. Candidate agrees that it will not place any restrictive notices on any document. However, if Candidate places a notice, EMLL is hereby authorized to nullify,

obliterate, remove, or disregard any such restrictive clauses and EMLL shall be free to use or disclose any or all of the information contained thereon to affiliates and third parties without consulting with the Candidate.

Any costs incurred by Candidates or any of its subcontractors replying to this Expression of Interest shall be solely the Candidates responsibility and shall be fully born by the Candidate and shall have no recourse to EMLL. Note that only companies, which meet EMLL's minimum requirements, will be invited to the next stage of qualification.

The deadline for submission of Expression of Interest is set for on or before **31st March (Friday), 2023 by 5PM** (Maputo Time).
